May 8-12 is certified staff appreciation week. One day, the Means Family will put on a breakfast for the staff, another day the PTO will be doing something for the staff and on another day, the district will do something for them.

Neon Glow Night netted approximately \$200 and got \$199 in donations for the clothing bank

Deanna from the backpack program said that there has been an increase in sign ups and an increase in the cost of food. They are looking to work with schools to have specific food items donated to add to the bags. As a PTO, we could consider making a monetary donation. We have 60 kids currently enrolled. We will be doing a “Mac N Cheese Drive” and promote it with a “domino” challenge
